Just a quick note to say how impressed we were with No. 56 Main Street Lower Largo - the information and photos on your website are excellent but we were even more impressed with the place when we arrived! It is very well furnished and well equipped and made for an excellent family holiday with young children, who found the beach the best thing ever! (We have beaches within 15 minute drive from home but the Fife Coast is worlds apart!). Sitting there listening to the sea in the evenings was so peaceful and relaxing.
