This property was beautifully situated right on the beach so that we felt instantly relaxed and on holiday. Very well equipped too and spotlessly clean. I would highly recommend it for a weekend break or a longer holiday.

Could I say how much we enjoyed our stay at Sahara park! We used this as our base for our sons wedding and the weather was just lovely for the weekend of the 3rd June (it went downhill thereafter!) What a lovely house and could you thank the owners for the privilege in staying in such a lovely house with such beautiful views of the Elie beach. The house was so well equipped and furnished.

We had another very enjoyable stay at 2 Sahara Park, thanks. Although the weather was not as good as last year, we still found 2 Sahara Park very relaxing to be in, and we left after our stay fully refreshed. We had another hugely enjoyable meal at the Peat Inn – fabulous food in a very friendly and relaxed environment. We discovered Blacketyside Farm Shop in Leven this year and were really impressed with it. And it's always a pleasure shopping in the local shops in Elie. The time just flew by even though we didn't do too much – always the sign of a good place to stay! We would love to return for more r and r next year. May 2017

Robb

Wonderful views and we really enjoyed our time in your lovely accommodation. Thank you

Frank Philip

We thoroughly enjoyed our stay. We were favoured with fabulous weather at the start of our holiday and, even in the less sunny weather at the end of our stay, 2 Sahara Park was still a very pleasant environment to be in. You are very lucky living in Elie. Apart from the relatively mild climate and relaxing ambience, the array of good restaurants in the vicinity is staggering. We only scratched the surface really. But we really enjoyed our meals at the Peat Inn and the Smokehouse – opposite ends of the spectrum but excellent food in both places. So it is very likely that we shall want to pay a return visit next year.

Thanks again, Best Regards Frank Philip (May 2016)
